- Children in public care or previously adopted
- Children for whom a particular school is appropriate on exceptional medical grounds
- Children with a brother or sister attending the school at the time of admission (living at the same address)
- Children of members of staff
- Children living nearest to the school

ENFIELD Council

Partially or Fully Selective Schools

- Selective schools will test children before the closing date for applications.

- Children must be registered directly with the schools to be entered for the relevant selective tests/trials/auditions

- Schools will let parents have the results of the tests/trial/audition before the closing date for the Borough application.

ENFIELD Council

What can Enfield parents expect?

- One local authority application for all maintained schools (community, foundation, voluntary aided, free school and academy) regardless of where the school is located
- National closing date for the submission of forms – 31st October 2026
- 6 preferences allowed in London (Hertfordshire will only accept four Hertfordshire schools – don't include more)

ENFIELD Council

What can Enfield parents expect?

- We will apply for schools outside the area on your behalf.
- We can only accept late applications or changes of preference after the deadline in exceptional circumstances
- If your child is eligible for more than one school, your preference order will be used to decide the final offer
- Single offer emailed on 1st March 2027

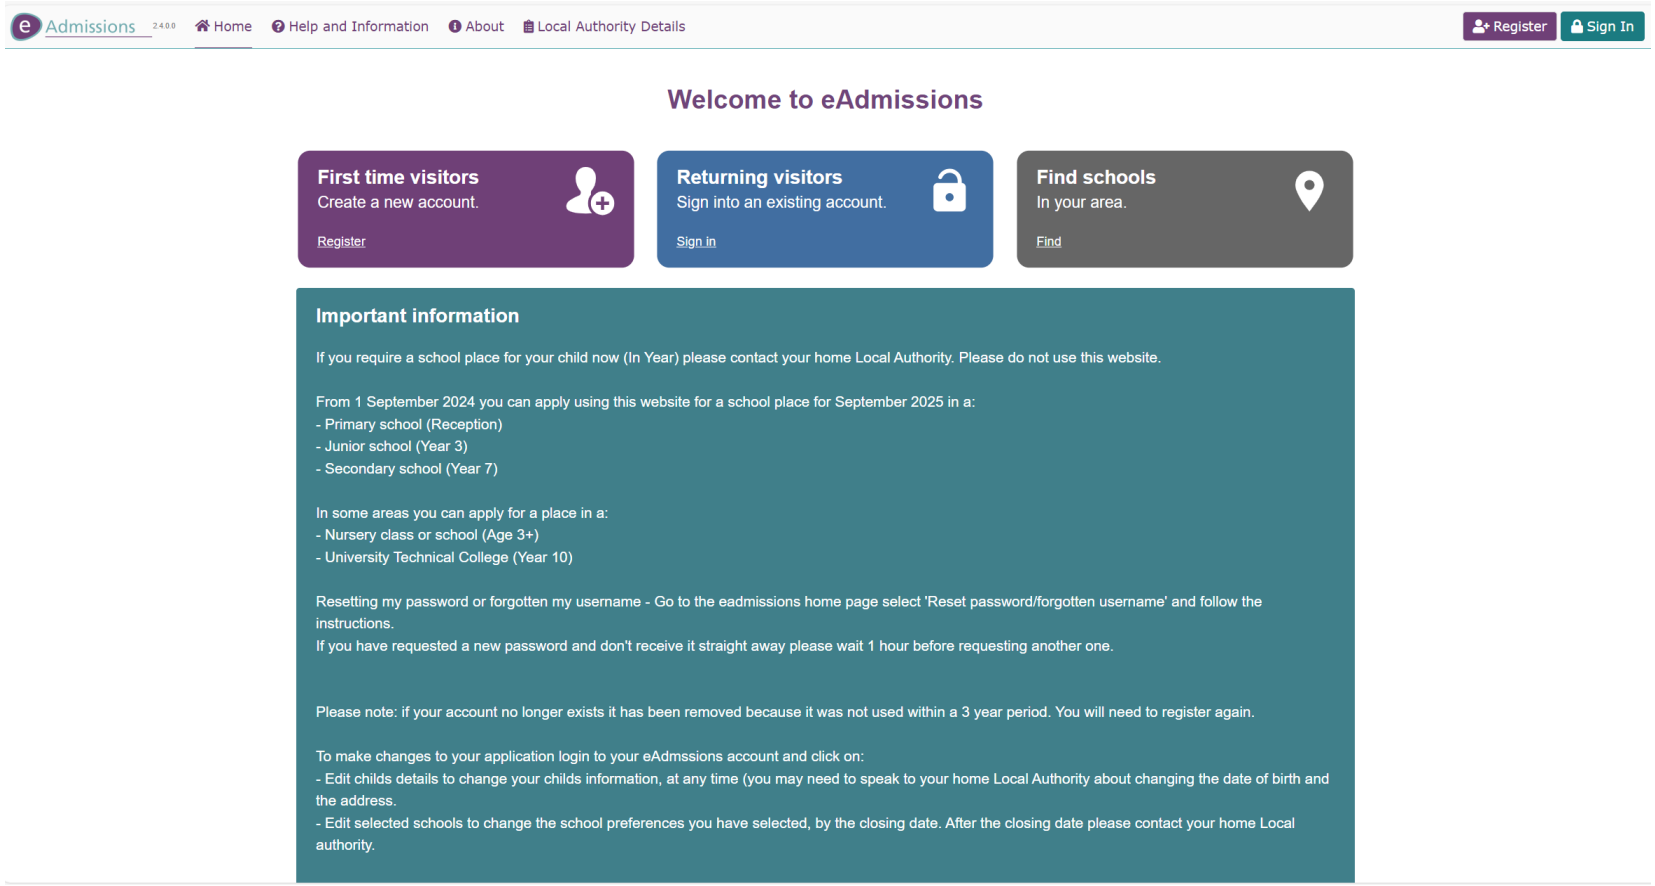
How to apply - www.edmissions.org.uk



ENFIELD Council

Online Applications

- It is quick and easy to do – just register and follow the instructions
- You will get an email confirmation once you submit your application
- The online system checks that you are completing all the right sections of the application
- The online system is available 24 hours a day, 7 days a week until midnight on the closing date

- You can get your result on the evening of 1st March 2027 and then either accept and decline your offer online

ENFIELD Council

Making your application

Make sure you tell us…

- If the child is looked after or adopted?
- If there are brothers or sisters will be attending any of the schools applied for when you start?
- Does a parent work at any of the schools listed on your form?

ENFIELD Council

Making your application

- Provide supporting documentation with your application if you are asking for medical priority
- Be sure the address you use is the child's usual place of residence. Attach details if not
- Include your council tax reference number in your application.
- Meet all the deadlines

ENFIELD Council

Things to remember…

- Find out more about all the schools you are interested in, especially those in your local area.
- Check out school websites for up-to-date information about opportunities to visit – open evenings are planned but schools may have to make changes at short notice.
- Distance counts for many schools and will often be a deciding factor if there are more applications than places available.

ENFIELD Council

Things to remember

- If you are considering schools outside Enfield, look at other authority websites for details as it may be different to Enfield's

- Check if you need to complete a supplementary information form

- Complete all applications in full

- Nominating only one school will not improve your chance of getting a place. Nor will putting the same school multiple times – if you do this your application will only be considered after all other application have been processes
