The series of tables below provides a detailed breakdown for Barnet secondary school allocations on National Offer Day, across four academic years:

- **2026**
- **2025**
- **2024**
- **2023**

The tables are designed to provide a comparative overview of the allocation trends over the past three years. The data outlines the number of places available at each school and distribution of offers against the individual school's eligibility criteria.

The information presented is for **guidance only**. Please note that the pattern of allocations may vary each year based on a number of factors, including the volume of applications received, the number of places available for mainstream applicants and the number of high-priority claims, such as siblings of pupils on roll or children of staff members.
